Pursuant to S.C. Code Ann. §§ 58-23-560 (Supp. 2008) and 26 S.C. Code Ann. Regs. 103-240 (Supp. 2008), this matter comes before the Public Service Commission of South Carolina ("Commission") on a Petition of the Office of Regulatory Staff ("ORS") to revoke the Certificates of Public Convenience and Necessity of certain motor carriers for failure to pay license fees. ORS's Petition, containing a list of motor carriers who failed to pay license fees, was submitted to the Commission on September 21, 2009.¹ A hearing for the revocation of these Certificates was held on November 12, 2009.

At the hearing, ORS's Records Custodian in its Transportation Department, Carole Chauvin, testified that certain carriers certificated by the Commission remained out of compliance for not paying license fees. In support of Chauvin's testimony, ORS offered a revised list of those carriers that remained out of compliance at the time of the

hearing.² She testified that ORS notified these carriers of their non-compliance by certified mail. However, none of the carriers appeared at the hearing.

The Commission finds that ORS's Petition against those carriers who were in compliance with license fee requirements at the time of the hearing should be dismissed. The Commission also finds that the Certificates of those carriers who remained out of compliance with the license fee requirements at the time of the hearing, as indicated by the revised list submitted as evidence by ORS, should be revoked and cancelled under the authority of 26 S.C. Code Ann. Regs. 103-240 (Supp. 2008).

IT IS THEREFORE ORDERED:

The Certificates of Public Convenience and Necessity held by those motor carriers in the revised list submitted by ORS at the hearing, which is attached to this Order, are revoked and cancelled. All operating rights of these carriers are null and void. Additionally, ORS's Petition against those carriers who are now in compliance is dismissed.
